

West Yellowstone Ski Education Foundation

Invitation for Membership and Participation

The West Yellowstone Ski Education Foundation (WYSEF) invites you to become involved in the growth of your community through cross-country skiing. WYSEF is a non-profit foundation established to promote cross-country skiing in all its forms through education, facility development and participation. The primary goal of WYSEF is to bring children and adults of the community together through cross-country skiing, a lifetime learning activity which promotes physical fitness and appreciation of our natural environment. WYSEF is oriented towards community development not only through interaction of adults and youth, but directly through the development of programs and facilities which will benefit residents of the community and entice visitors to return again and again. Your support of WYSEF is appreciated through your membership, tax deductible contribution and participation. All members receive a regular e-newsletter and a schedule of events.

Membership Type

Basic \$20
 Bronze \$30
 Silver \$60
 Gold \$75
 Platinum \$300

For more information about the WYSEF program, please contact Dan Cantrell, WYSEF Program Director, at 406-600-3354.
